Admiral Stansfield Turner  
Director  
Central Intelligence Agency

Dear Admiral:

When we met on the occasion of your being granted privileges at the Metropolitan Club, you indicated an interest in squash. The renovated health facilities are now open, and if you would like to try the courts someday, call or have your secretary give me a call at my office, telephone 331-4557.

Best regards.

Very truly yours,

  
Merle Thorpe, Jr.
